

April 12, 2023

Title: Meeting to Discuss the Nuclear Regulatory Commission's (NRC) 2022 Annual Assessment of Safety Performance at River Bend Station

Date(s) and Time(s): April 25, 2023, 05:30 PM to 06:30 PM CT

Location: St. Francisville Town hall
11936 Ferdinand St.
St. Francisville, LA

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The NRC will discuss its assessment of safety performance at River Bend Station during calendar year 2022, as described in the attached 2022 annual assessment letter. The presentation will be given during a St. Francisville Town Council meeting. An NRC resident inspector will be available after the presentation to answer questions about the safety performance of the station and the NRC's role in ensuring safe plant operations.

Contact: Arthur "Drew" Childs Curtis Wynar

Arthur.Childs@nrc.gov Curtis.Wynar@nrc.gov

Participants: NRC External
Region IV St. Frances Town Council Members
Public
Entergy Operations, Inc

Docket No: 05000458

Comments: This is an observation meeting. The purpose of this type of meeting is for the NRC to meet with representatives from one or more groups in an open and transparent manner to discuss regulatory and technical matters. The meeting will inform the public by providing information to help them understand the applicable regulatory issues and NRC actions.
The NRC's annual assessment letter regarding River Bend Station performance during 2022 can be found using ADAMS Accession No. ML23055B075. Additional information related to the NRC's annual assessment process and the safety performance of River Bend Station can be found on the NRC's website at:
<https://www.nrc.gov/reactors/operating/oversight/docket-chart.html?docket=rbs1>

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please contact Anne Silk, NRC Reasonable Accommodations Coordinator, at Anne.Silk@nrc.gov or call directly at 301-287-0745. Determinations on requests for reasonable accommodation will be made on a case-by-case basis. Ten (10) days' advance notice is requested to try to ensure availability; however, every effort will be made to address a request for reasonable accommodations with less notice.
