Dear Mr. Williams,

On behalf of the Indiana Department of Homeland Security (IDHS), I am informing you that we plan to submit an electronic version of Indiana's draft application for an Agreement to the Nuclear Regulatory Commission (NRC) on April 1, 2024. The draft application includes the individual components required by SA-700 *NRC Handbook for Processing an Agreement* of June 17, 2022.

I understand that the review of our draft application will take significant time and effort, and I look forward to working with your staff to craft the final application that will meet all of the requirements for the Agreement. We are working toward a final Agreement by March 1, 2025.

Please contact me if I can be of further assistance.

Sincerely,

Courtney Eckstein
