MEMORANDUM TO: R. W. Borchardt
Executive Director for Operations

FROM: Andrew L. Bates, Acting Secretary */RA/*

SUBJECT: STAFF REQUIREMENTS – COMWDM-10-0002 – INTERACTIVE
LEARNING CENTER FOR WHITE FLINT HEADQUARTERS
COMPLEX

The Commission encourages the staff to consider developing plans for an interactive learning center for the White Flint Headquarters complex on a schedule consistent with the construction of the White Flint 3 and the refurbishment of White Flint 1 and 2. It may be appropriate to consider potential synergisms with other planned activities such as the agency's new Training Center, which will include a variety of displays and models and continued enhancements and modifications to the NRC website.

As the staff considers developing plans for an interactive learning center, such plans should reflect options that could be accommodated within a range of agency budget scenarios, including flat or declining.
